WHY TEKX + 360

 <p>Expansive Industry Buyer Audience Your gear goes in front of live event, touring, broadcast, and install professionals who know the equipment and bid competitively for it — and you capitalize on a wider buyer pool than your inventory might attract alone.</p>	 <p>Admin-Free Shipping Process We handle the entire shipping process — all you have to do is package the gear and push it onto the truck when it arrives.</p>	 <p>Minimal Management Burden We handle catalog, marketing, buyer inquiries, payment collection, and tax remittance — a simple, volume-based commission with no surprises.</p>
---	---	---

HOW IT WORKS

<p>1 Consign & Catalog Submit your equipment list and photos. We build the lots, descriptions, and full sale catalog.</p>	<p>2 Marketing We handle all marketing across multiple channels, with exposure to thousands of qualified buyers.</p>	<p>3 Auction A multi-seller catalog, intelligent pricing strategy, and wide marketing net drive competitive bidding, resulting in high sell-through and top-tier returns.</p>	<p>4 Buyers Pay, You Pack, We Ship We facilitate buyer communications and collect payment. You pack the gear and send it on its way when the truck arrives.</p>	<p>5 Paid in 7 Days Net proceeds remitted to you within 7 days of buyers receiving their gear.</p>

SIMPLE VOLUME-BASED COMMISSION

First \$100,000 in sale revenue	7.5%
Next \$150,000	5%
Next \$250,000	2.5%
Over \$500,000	0%

“
 TekX was instrumental in helping us — and our client — recoup as much cost on the product as possible by finding a quick sale for a very large quantity of gear that would have otherwise gotten scrapped.
